MEMORANDUM FOR: Dr. Evelyn Stoneman, IRC/GE,  
Department of State

THROUGH: Chief, D/GG

FROM: Chief, GG/E

SUBJECT: List of Documents Pertaining to Fortifications on Austrian  
Borders with Czechoslovakia, Hungary and Yugoslavia

The attached list is being sent in response to your oral request of 26 October 1960. In general the documents are grouped according to individual countries, but some may refer to more than one country. The documents were selected from those in our files on the subject; and, as most of them are dated 1957 or later, they probably present an adequate picture of the borders. The fact that there are few documents describing border fortifications in Austria and Yugoslavia reflects the fact that these countries have erected relatively few such fortifications.
